

# Carbon Offsetting

Swiss Climate ([www.swissclimate.ch](http://www.swissclimate.ch)) hereby confirms the offsetting of carbon credits from high quality climate projects on behalf of:

**Packimpex Ltd.**  
**Brunnmattstrasse 5**  
**3174 Thörishaus**

The following amount of CO<sub>2</sub> emissions has been offset:

**377 tons CO<sub>2</sub>**

Hence, the following emission sources of Packimpex have been compensated:

- Heating
- Electricity
- Business Travel
- Paper & Printing matters
- Water

The carbon credits were issued from the following project:

**Energy Efficiency in South Africa**

Standard: CDM

Bern, 24 September 2014
