

Tailoring relocation solutions

We have been striving for business excellence since the foundation of the company over 45 years ago. Constant quality and customer orientation has led to continuous growth and market leadership. With nine offices across Switzerland, we provide a wide range of relocation solutions. We support expatriates and international companies with pre-hire orientation tours, home search assistance, school search, immigration and settling-in services. Our services range from international removals to furniture rental. Behind our success are 150 experienced and talented employees who constantly aim to exceed customers' expectations.

Our team in the Netherlands is looking for an

Immigration Specialist for Belgium and The Netherlands

Your Mission

In this role you will provide in-house services and immigration advice for Packimpex Netherlands and Belgium and coordinate relocation services in both countries. This position is offering an exciting opportunity to play a pivotal role in the growth of Packimpex in the Benelux.

Your 12-Month Employee Journey

You will spend time learning Packimpex processes for the first 3 months, while providing immigration advice and services. Your learning is done via an e-learning platform and video calls. You will work hand-in-hand with our Relocation and Immigration consultants and with your existing immigration knowledge and experience you will supervise your own cases, anticipate any issues or concerns and advise on solutions. After 6 months you will be fully immersed in your new position and be able to look at process optimisation and implementation. After 12 months you will have enough knowledge to be more strategic in the tasks you own, analysing client satisfaction metrics and analysing market gaps and suggesting innovation.

What you will do

You will work in an international context and have daily interactions with assignees and our clients, such as HR, International Mobility Managers or RMC Account Managers from around the world.

What you will bring

Experience with and knowledge of Dutch and Belgian immigration law, and willingness to develop an understanding of the entire relocation journey. The tasks of this position will require adaptability, empathy, proactive communication, and accurate reporting.

Place of Work

This role will be fulfilled mostly from home office.
