

# Sustainability facts and numbers

10 years ago Packimpex became certified CO<sub>2</sub> Neutral, but this was not the end of the journey. We are still on that path taking steady steps to reduce our CO<sub>2</sub> footprint and have a positive impact on the environment and society.

Each year we work with Swiss Climate to evaluate, manage, and innovate our sustainability strategy and efforts. Here are the results of our sustainability actions in 2020/2021.

**2004 first**
